

The Realm (The Realm Series Book 1) By L. Marie Wood

Book Info Sheet

Blurb:

Patrick thought he knew what awaited him in the afterlife. He's learning the hard way that he was dead wrong. He is hunted by a race of giant beasts, the likes of which have never been seen by living eyes, and he is surrounded by the newly-dead from worlds beyond knowing. In this Realm, nothing and no one can be trusted.

Patrick's choices will create echoes in the world of the living. He may be the key to salvation in this Hell known as The Realm, but it may come at the cost of his family.

With his legacy on the line, can he make the right choice?

Genre:

Horror
